

Follow the Sheep Farmer

CURRICULUM CONNECTIONS (GRADE 4)

GRADE 4 SCIENCE

Habitats and Communities Unit	
4-1-02	Recognize that each plant and animal depends on a specific habitat to meet its needs.
4-1-03	Identify the components of an animal habitat. Include: food, water, living space, cover/shelter.
4-1-10	Recognize that the food chain is a system in which some of the energy from the Sun is transferred eventually to animals.
